# Windsor Plywood

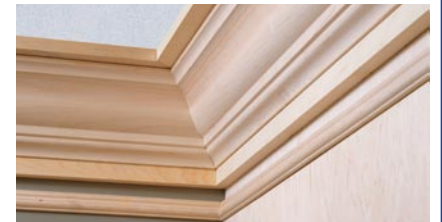

the *experts* you need to know!

## MOULDINGS

### SOLID OAK MOULDINGS

Red Oak Mouldings are a consistent light brown shade with a hint of red.

### SOLID MAPLE MOULDINGS

Stained or varnished, this moulding is enhanced by the natural beauty of its hardwood.

### PACIFIC COAST HEMLOCK

These mouldings accept paint or stain exceptionally well. The light uniform colour is perfectly suited to accept any stain from light to dark to anything in between.

### KNOTTY PINE

For a casual, informal look. Stain or varnish to suit your decor. The reddish brown tight knots add interest to any room.

## MDF MOULDINGS

Are manufactured to exacting quality standards from #1 quality medium density fiberboard. MDF offers the advantages of finger joint pine without the disadvantages. MDF mouldings come to you primed with a lacquer based primer which provides a clearly superior paint surface to products primed with water based primer.

## DOORS

Our selection includes exterior steel and fiberglass doors, interior wood, moulded panel doors, french doors & more!

## STAIR PARTS
